

MONROE COUNTY, FLORIDA

JOB DESCRIPTION

Position Title: Paramedic

Date: January 28, 2006

Position Level:

FLSA Status: Nonexempt

Class Code:

GENERAL DESCRIPTION

(The information on this description has been designed to indicate the general nature and level of work performed by employees within this classification. It is not designed to contain or be interpreted as a comprehensive inventory of all duties, responsibilities and qualifications required of employees assigned to this job.)

Protects life and property, in compliance with County policies and procedures, by performing emergency medical techniques (Advanced Life Support) and patient care procedures, assisting in a support role in the suppression of fires, responding to disasters and other emergencies, and maintaining department equipment, apparatus and station. Participates in fire prevention activities and training to improve public awareness of fire safety. Drives and/or operates fire rescue apparatus or ambulances. On call 24 hours pending disasters.

KEY RESPONSIBILITIES

1. Responds to fire alarms and other emergency calls. Operates firefighting and EMS apparatus and equipment. Serves an integral support role in fire suppression operations outside the exclusion zone including such activities as driving and operating pumpers and tankers, managing hose lines, advancing lights, power tools and hand tools to the edge of the exclusion zone in compliance with standard operating procedures. May act as the Medical Branch Director or Medical Group Supervisor.*
2. Administers emergency medical techniques (Basic and Advanced Life Support) as defined and authorized by the Medical Director and/or online physician control and in accordance with protocols and Florida Law. Communicates with dispatch and receiving hospitals.*
3. Inspects, cleans and maintains personal protective ensemble, assigned apparatus and equipment, and station to ensure operational readiness.
4. Inspects, tests and maintains fire wells and hydrants; learns fire well, hydrant, and other water supply locations. Learns layout of the response area and facilities; collects information for pre-incident planning.
5. Assists with building inspections to detect fire hazards.
6. Conducts training and drills of fire department operations and procedures with volunteer firefighters as required.
7. Conducts tours of fire stations and demonstrates fire equipment. Presents and/or participates in fire prevention, first aid, CPR classes, and education programs to improve public awareness of fire safety. Promotes and participates in public information and education relating to emergency medical services and the health care system in general. Assists in responding to, and reporting citizen inquiries or complaints.
8. Performs recording activities to include, but not limited to: writing memos and summaries; reporting volunteer attendance; completing incident and patient care reports; and reporting equipment and apparatus defects.*
9. Works shift and call back (and/or overtime) to meet department needs. On call 24 hours pending disasters.*
10. Keeps abreast of and complies with County policies, department rules and regulations, standard operating procedures, and EMS protocols. Attends training, company drills, and administrative sessions as required.
11. Performs other similar and related duties as required.

KEY JOB REQUIREMENTS

| | |
|--|---|
| Education: | Vocational or other technical school, certification, training or apprenticeship required beyond high school: Must have the following: State of Florida certified Paramedic. Must hold current Advanced Life Support, CPR and EVOC certifications. |
| Experience: | 1 year prior related work experience as a Paramedic, preferred, preferably in Monroe County. Trained, experienced and otherwise qualified to drive fire apparatus and emergency medical care vehicle, maintain the appropriate class of driver's license and completion of an approved EVOC course in accordance with Florida Statutes. |
| Impact of Actions: | Makes recommendations or decisions which usually affect the assigned department, but may at times affect operations, services, individuals, or activities of others outside of the assigned department. |
| Complexity: | Work is non-standardized and widely varied requiring the interpretation and application of a substantial variety of procedures, policies, and/or precedents used in combination. Frequently, the application of multiple, technical activities is employed; therefore, analytical ability and inductive thinking is required. Problem solving involves identification and analysis of diverse issues. |
| Decision Making: | Supervision is present to establish general objectives relative to a specific project, to outline the desired end product and to identify potential resources for assistance. Independent judgment is required to identify, select, and apply the most appropriate of available guidelines and procedures, interpret precedents, and adopt standard methods or practices to meet variations in facts and/or conditions. |
| Communication with Others: | Regular internal and external contacts required to carry out programs and to explain specialized matters. Occasionally requires contacts with officials at higher levels on matters requiring cooperation, explanation and persuasion or with the public involving the enforcement of regulations, policies and procedures. |
| Managerial Skills: | Has responsibility or authority which is limited to the direction of temporary or lesser certified workers. |
| Working Conditions/Physical Effort: | Work requires extreme physical exertion and/or physical strain to the point of physical fatigue. Work environment involves exposure to job hazards where there is a high possibility of injury. |
| Other: | Must be a non-user of tobacco products for at least one (1) year immediately preceding application, and sign a sworn statement attesting to this fact as required by Florida Statutes. |
